

EXPERIENCE OUR NEW DESIGNS FOR LIVING 2022

New dates for M&O 2022 - Don't worry, Sirius will still be there!

We are thrilled to invite you to a lot of Shining Moments at M&O 2022! The fair will take place from March 24th to March 28th, 2022.

You will be the first to see our brand-new LIVING 2022 collection. We've aimed for the stars, and our Solar and Rechargeable assortment are a major step toward making more sustainable and environmentally responsible products without sacrificing any Shining Moments.

Join us at stand H78 in hall 4 M&O 2022.

If you would like a personal presentation, please contact your local agent.

We hope to see you there.
